

A cold home may be putting your health at risk...

Do you suffer from a **cardiovascular disease** or **respiratory illness**? If the answer is **YES** we can offer*:

- Grants of up to £2,500 for homeowners for energy efficiency improvements
- Free surveys to identify potential risks to health for homeowners and private tenants
- Benefits checks, fuel debt mediation and assistance with switching energy tariff or supplier from a dedicated Citizens Advice caseworker

Ask for a referral from a health or social care professional today

For more information visit **www.nef.org.uk/bhbk** or contact our Affordable Warmth Helpline on **0800 107 0044**

The National Energy Foundation: Registered Charity No. 298951 Registered in England with liability limited by guarantee No. 2218531

* To receive this support, you must have a respiratory illness or cardiovascular disease and a referral form must be signed by a health or social care professional with access to verified health information. This support is available until December 2016 or until the funding runs out.
